PLANTS

We urge the use of two-year-old plants wherever possible. Your plantation will come into bearing two years earlier and you can also obtain your own cutting wood that much sooner. These two items will easily repay the cost of the plants. We can sell large vigorous plants of Rubel, Adams, Harding, Rancocas, and Pioneer as quoted below:

Quantity	Fancy	No. 1	No. 2
1 to 10	.90	.65	.50
11 to 100	.75	.55	.40
101 to 250	.65	.45	.30
251 to 1000	.45	.30	.25
1001 to 2000	.44	.29	.24

Grades

Fancy—Over 12 inches in height.

No. 1—Seven to 12 inches in height.

No. 2—5 to 7 inches in height.

The age of the plants will be specified as well as grade.

The prices quoted are for plants packed for shipment.

If plants are shipped, it will be necessary to prune them before packing.

We have the oldest and largest commercial planting of cultivated blueberries in the Middle West. Purchase your planting stock from us and receive the benefit of our experience. It is unwise to take a chance on unknown or questionable nursery stock, to set a plantation of blueberries that will last 75 to 100 years.
